Students should be brought to school during their scheduled appointment time.

The screening will last approximately 1 $\frac{1}{2}$ hours.

Students will be escorted to our screening location while family members wait in the front foyer.

Your child will see Mrs. Jeanette Weber for the speech and language screening, Mrs. Kellie Hafner for the reading readiness section and Mr. Kevin Cooper for an occupational therapy screening. Students will also complete a math readiness section. Lastly, students will join their family to see Mrs. Sharon Kelly for vision screening, along with a review of immunizations and physicals.

These are "teacher friends" your child will see in our school next year!
