Re: Special Education Summer School 2019

This is to remind you that a resolution was passed by the CEWW BOCES Board of Cooperative Educational Services, stating that "if component districts commit by board resolution to pay the actual costs of operating the 2019 summer program, notwithstanding State Education Department tuition rates, as indicated by written notice from those Districts, no later than August 1, 2018; CEWW BOCES will diligently analyze its ability to provide services in summer 2019, based in part on the number of component participants and students".

Attached please find a resolution that your Board can consider, that must be passed no later than August 1, 2018, in order for CEWW BOCES to offer Special Education Summer School in 2019. Also attached please find a chart that indicates the districts that passed this resolution for summer school 2018. The chart also identifies districts that have currently passed the resolution for summer school 2019. If your Board has not passed this resolution for summer school 2019, please ask them to do so.

Thank you.

RESOLUTION
(District to Participate in BOCES Summer School 2019)

WHEREAS, the _____ District and its Board of Education have consistently appreciated, relied upon and subscribed to this region's Board of Cooperative Educational Services (BOCES) shared services for special education summer programming, on behalf of particular students who have individual education plans (IEPs) calling for such specialized summer services; and

WHEREAS, this region's BOCES has the specialized administrative staff, program staff, facilities, expertise and general mission to provide for such services that are generally not feasible for individual component school districts to implement as efficiently and cost-effectively, as the BOCES offers this service on a shared basis for the component school districts and their Boards of Education; and

WHEREAS, the _____ District cannot provide special education school aged summer school services in a more cost-effective manner than BOCES, due to the ability of BOCES to offer and provide services to multiple districts who are able to share costs; therefore;

BE IT RESOLVED that the _____ District intends to participate in the 2019 Special Education School-Aged Summer School, and agrees to pay the actual CEWW BOCES costs for the 2019 summer school; and

BE IT FURTHER RESOLVED, that no later than August 1, 2018, the Clerk of the Board shall notify the CEWW BOCES in writing of the District's commitment as described herein and the District's intent to participate in the 2019 Special Education School-Age Summer School. A copy of this adopted resolution is to be provided to the CEWW BOCES and its District Superintendent.
