

BOARD COMMITTEES

The Board of Education may, at its discretion, establish standing and/or special committees. The Board will keep the number of standing committees to a minimum. Committee membership shall be discussed by the Board with appointment by the Board President. A committee, other than a standing committee, shall be considered to be dissolved when its final report is made and acted upon by the Board. Such a committee shall have no authority except to make reports and/or recommendations to the whole Board.

Any official policy-level action shall be in the sole discretion of the Board. The Board is in no way obligated to follow committee recommendations. The Board has the right to accept, reject, or modify all or any part of a committee recommendation. The Board reserves the right to terminate any committees at any time.
