

**NEWS MEDIA SERVICES AT BOARD MEETINGS**

The Board of Education recognizes the need for the public to be informed of the Boards official actions. To this end, the Board will assist the press in securing adequate information regarding the problems facing the Board and the decisions the Board makes. This includes the presence of responsible representatives of the press, radio, etc. at Board meetings. Time may be set aside following each board meeting to meet with the press in order to clarify items and provide additional information relating to the meeting agenda.
