

GRADUATION REQUIREMENTS

In order for students to participate in the graduation ceremony, the Superintendent of Schools shall certify that they have met one of the following requirements:

1. the requirements set forth by Commissioners regulations related to the school year in which they first entered grade nine; or

The Board of Education reserves the right to establish local district graduation requirements for students which extend beyond, but do not supplant, the state mandated requirements.

An official school diploma shall only be issued based upon successful completion of all district graduation requirements.
