BOARD POLICY SEX OFFENDER NOTIFICATION POLICY

The Board of Education recognizes its duty to take all appropriate measures to protect the students and staff members while they are under the care and custody of the District. Consistent with this duty, the Board of Education acknowledges that, in accordance with the Sex Offender Registration Act, local law enforcement agencies may notify the District when certain persons convicted of certain sex offenses are released, discharged, paroled, or placed on probation into the school community.

This policy is intended to enable the District to cooperate with local law enforcement agencies in gaining timely and accurate information regarding released, discharged, paroled, or probationary sex offenders in the community and observing and identifying the presence of such offenders on school grounds or near school children.

Upon receipt of information that a convicted sex offender has been released, discharged, paroled, or placed on probation in the community the Superintendent shall take steps to insure the safety of students and staff while at school or while involved in school related events. The Superintendent of Schools shall ensure that the appropriate District employees, both instructional and non-instructional, are aware of pertinent information regarding sex offenders of whom the District has been notified by local law enforcement agencies. The Superintendent shall be notify, through the dissemination of any such information, all staff who might come into contact with an offender in the course of doing their jobs.

The District will provide general information to appropriate members of the community or community groups, as determined by the Superintendent.

In addition, the Superintendent of Schools shall work with the local law enforcement agencies to develop means by which parents and guardians of students in the District, agencies and groups which regularly use District facilities and have children in attendance, and concerned community members can request information regarding paroled sex offenders in the area.

Any information that is provided to the Superintendent of Schools regarding the presence of certain persons who may have been convicted of a sex offense and released, discharged, paroled, or placed on probation in the school community that comes to his/her attention confidentially but outside the statutorily developed dissemination plan from the local law-enforcement agencies shall not be released prior to consultation with the District's Attorney.

The Board of Education reserves the right to amend this policy regarding notification of sex offenders in the community at any time in the future by the adoption of a new policy or amendment(s) to this policy.

The Superintendent of Schools, or his/her designee, is directed to develop the appropriate administrative regulations to implement this policy,

This policy and all administrative regulations pertaining to it shall be distributed to all District employees.
